

RtI Protocol

RtI TEAM members:

Mrs. Sonnenberg

Mrs. Hastings

Mrs. Nicolaus

Mrs. Rank

Student referrals can be made for academic, behavioral, and/or emotional needs including those students who show potential for advanced or gifted programming.

1. Student of concern must be in interventions for 4-6 weeks BEFORE bringing him/her to the team.
2. Student of concern must be progress monitored using AimswebPlus or another assessment instrument with at least 4-6 data points BEFORE bringing him/her to the team.
3. An RtI referral form must be completed and submitted to Mrs. Rank a week prior to the RtI meeting.
4. If there are no students referred, the team will still meet and check in with student concerns/progress.

****** If you have any questions, concerns, or want guidance or suggestions please contact a team member!**
